

Building A Full Capacity Locals Grant Application

BFCL Grant Guidelines

Organizing new members has been a challenge for many especially since some of you have not seen your new hires in person over the past year. Additionally, many of our locals are not signing up new members at the same rate that members from their locals are retiring. We are regressively organizing, always playing catch up to keep our locals in the green or trying to dramatically increase the membership in a local. This is especially important in larger locals where there can be 30 or more individuals hired each year and many years may have gone by when individuals have not signed up. Furthermore, we recognize that many locals have a high staff turnover during these difficult times, which makes this task even more challenging.

Even though it is hard to believe that we have been dealing with the ramifications of the COVID pandemic for more than a year, we have been amazed at the creative ways local leaders have used funds to help sign up their new members. Grants must be used to plan event or activities to sign up new members unless the local is in the green, then a general member engagement activity is permissible.

Locals that fail to maintain a local percentage of 20% or lower and whose contract expires is in danger of being disclaimed by our association as established by the MEA Board of Directors. This means that MEA would no longer represent your members and your local could potentially not be eligible for MESSA benefits.

Please remember if you are planning to order any give-a-ways or t-shirts; please follow the guidelines below to be eligible for these funds.

- Any T-shirts, bags, hats, or clothing of any kind must have the new MEA logo on it either with the name of your local under it or with your local’s logo if you have one. The MEA logo can also be placed on the sleeve. Please contact Gus Schowengerdt at GSchowengerdt@mea.org to request an MEA logo that can be used by your designer or local vendor or to receive quotes on ordering materials directly from MEA.
- For trinkets, giveaways, and other types of apparel, you may work with your local vendor and request USA made items and preferably union made. Please remember that it is important to look for a union print shop as it has the union bug on items when printed. MEA is a union and it is important that we remember to support union shops.
- Gift cards, lotto tickets, and alcohol may not be purchased with BFCL funds.

There have been many locals who have had creative ideas over the past few years and we encourage you to share yours! Please reach out if you have any questions.
