Support Student Safety Where It Starts...

TRANSPORTATION

MAASE Regional Paraeducator Transportation Trainings

Join us this summer for a regional training designed specifically for bus attendants and transportation staff who play a critical role in ensuring safe, supportive student experiences every day.

Why Attend?

Transportation teams are often the first and last point of contact for students each day. This training equips paraeducators and bus staff with the tools and confidence to:

- Support student safety and well-being.
- Respond effectively to student needs.
- Strengthen communication and consistency across teams.

What's Included?

This GYO-funded opportunity complements that daily impact by investing directly in both staff and districts, ensuring participants are supported with practical resources and meaningful incentives, including:

- Registration costs covered for each bus attendant.
- **\$100 per staff provided to districts.**
- A participant guide, one-year CEC membership, and digital
- badging for all attendees.
